If you are a group of 6 people or more, contact us and we will be glad to offer you a special, TAILOR MADE QUOTATION!

French in Normandy offers a "Total Immersion" programme, which will help your group to learn the French language, and at the same time experience the culture of France.  
French in Normandy has been welcoming groups to Rouen since 1992 .

In 2012, French in Normandy was voted Superstar French Language school after winning the prestigious Study Travel Magazine Star French Language School Award for 5 consecutive years. In 2013, the school was awarded Best French Language School by Turkish Language Travel Agents' organization UED.

### Your Programme

French in Normandy can organize language programmes including: course, accommodation, airport transfers, and a varied choice of cultural and leisure activities.

Together, we ensure that the programme meets the individual needs of your group, regardless of its size. Tailored language courses and activities regarding a specific field of study can be organized for school groups.

Important note: To take advantage of better availability and lower prices for courses and accommodation, we recommend groups to travel in low season (between September and May).
